

What is Rotary International?

Rotary International is a modern day non-sectarian organization of business and professional leaders united worldwide for the purpose of helping others who are in need.

Rotary is over 1.2 million service minded men and women in nearly 29,000 clubs in more than 150 countries. There is even a club right in your community.

These Rotary Club members volunteer their time to carry out a remarkable variety of humanitarian, educational, and cultural exchange programs that touch people's lives locally and in our world community.

The objective of Rotary Clubs everywhere is simply to improve the quality of life for millions of people.

To make all of its initiatives a reality, Rotary Clubs need people who want to make a difference. People who are willing to exemplify the motto of Rotary:

"Service Above Self"

Who are Rotarians?

Well, you see them everyday. They are your friends, business associates, and your neighbors; they may even be members of your own family. They are caring and dedicated men and women who value the benefits of volunteerism and service.

Promoting High Ethical Standards in Business and the Professions

The Four Way Test
of the things we think, say or do.

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

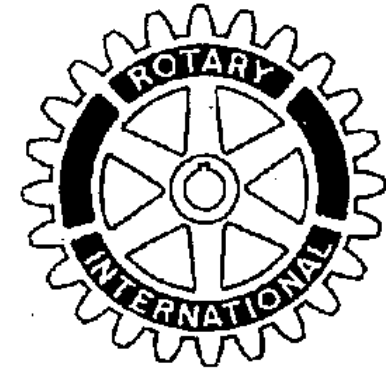

Will it build **GOODWILL** and **BETTER UNDERSTANDING**?

Will it be **BENEFICIAL** to all concerned?
